5. (Internal Use Only - GMC) LIAISON Took a call from Peter Regis, on the staff of the House Judiciary Subcommittee on Immigration, Citizenship and International Law. Regis said that the Subcommittee had not received a Nondisclosure Agreement to be signed by Jim Black, of the GAO, who had been detailed to work on the Subcommittee staff in connection with its ongoing investigation of alleged Nazi war criminals residing in the U.S. I told Regis we were still waiting for a letter from Subcommittee Chairman Joshua Eilberg (D., Pa.) requesting that the Memorandum of Understanding between the DCI and the Subcommittee be amended to include Black among the designated Subcommittee staff cleared for access to Agency material. I reminded Regis that we had agreed following the multi-agency meeting with the Subcommittee on 17 August that this would be the next step that would have to be taken to gain access for Black. Regis wanted to know whether Black could bring such a letter with him the next day and be granted access simultaneously. I told Regis that this was impossible because we would have to draw up an amendment to the Memorandum of Understanding which would have to be signed both by the DCI and Chairman Eilberg, and that this would take several days. Regis said he would have the letter sent to us the following day and I said that I would move things along as rapidly as possible.

✓ 6. (Internal Use Only - GMC) LIAISON Took a call from Sue Slotnick, on the staff of the House International Relations Subcommittee on International Organizations, who inquired about the documents we had received from the National Archives which the Subcommittee staff had requested from the John F. Kennedy and Lyndon B. Johnson Libraries. I told Ms. Slotnick that in accordance with my verbal agreement with Ms. Beverley Lumpkin, of the Subcommittee staff, we were drawing up an inventory of the DDI documents and would be asking the staff to indicate which documents it thought were really relevant to its inquiry. I told Ms. Slotnick that the DDO documents were ready for review by the Subcommittee staff and we arranged for this to take place on 18 September, at 0930 hours, at Headquarters.
